Cobalt Lashes

For starters, it's fun. And blue mascara also makes the whites of your eyes look brighter.

MAKE IT POP
"With any colored mascara, it's best to use a white primer first to seal the application and intensify the color," explains Lee. A good one: NYX Big & Loud Lash Primer ($7; ulta.com).

KEEP IT SUBTLE
Brush on black mascara first, then swipe the blue over the tips. The color will catch the light when you move, but it won't be in-your-face. Skip lower lashes.
