VOLCOM
LEOPARD JEAN R\$ 85
"I spent my middle school years wearing an embarrassing amount of neon—yes, this included glow-in-the-dark leopard-print ensembles—so these jeans give me a sensible, twentysomething-appropriate throwback. Plus, the heathered fabric and tailored fit give the print a sophisticated look." Haley Stark, senior designer

NUBLADO

A snake print é uma das preferidas das fashionistas. Você pode usá-la dos pés à cabeça. Basta combinar com acessórios mais sóbrios e pesados.
