## CAPE TOWN

Plumas, flecos y accesorios tribales adornan prendas con las que bailar hasta el amanecer. La moda vuelve a inspirarse en el crisol de culturas del continente africano y en una de sus musas, la *topi* imani, y regresa como en sus gloriosos '80's más étnica y racial que nunca. Una travesía que nos adentra en el corazón más profundo de África y en el que, la luz, los paisajes y sus vibrantes colores son protagonistas. El nuevo lujo nunca fue tan salvaje.

to give the hair a soft finish. Start with a frizz-fighting shampoo and conditioner, but avoid wrapping hair in a towel (the rubbing triggers frizz). Instead, distribute a dollop of serum through sopping wet hair with a wide-toothed comb, then finish with a diffuser or simply air-dry. Remember: "The more you touch, the more frizz you'll get," says Josh. **FLARE** picks: John Frieda Frizz-Case Dream Curl Shampoo and Conditioner, \$10.50 each; Shu Uemura Art of Hair Essence Absolue, \$68.
