Federico Fernandez, actor & musician, 44 (he/him)

"I started meditating seven years ago.

I have seen a drastic, drastic change.

I had no patience. I was always

regretting the past or fearing the future

— such a waste of imagination.

95% of what you fear never happens,

and you're stressing all the time.

In this society, everyone is going

100km/h in first gear; you're going to

give up, or your body is going to give

up, or your mind is.

I think the most masculine

thing you can do is to be of service,

in every way that you can.

For some men, not being the bread-

winner takes away masculinity,

they feel like loss of a man taking

care of the house and children.

It takes a pair of huge f*****g balls

to run a house."
