## THE CLASSIC CUT

Bralette bikini tops will always make the must-have list. This is because they have something to offer women with small or large busts. If you have a small cup size, the design helps to mould and shape your bust while those with padding accentuate it. If you have a large bust, the underwire feature provides added support and a great lift. Bralette styles also complement casual bottoms such as shorts or loose-fitting skirts for a laid-back affair.

## EMBRACE PRINTS

Floral and palm prints go bolder than ever this year with large motifs splashed across garments in graphic detail. Heavily printed swimwear is also great for concealing any parts of the midsection you may be uncomfortable with by causing a distraction for the eye.

## FASHIONISTA

### FUN AND FRUITY

Fruit prints and swimwear go hand in hand this season, with cherry, pineapple and watermelon being the favourites. A square neckline with a high-waist bottom is the perfect match. The combo is flattering to a variety of shapes, and will highlight your frame in all the right places.

## MASTERCLASS

### FOR WORK

#### MAKE-UP

Who says you can't wear red lipstick to the office? You can then keep your look classy by going for subtle eye make-up using colours such as rose gold and bronze.

#### HAIR

Tight curls combined with a red lip will take you from the office to after-work drinks or a dinner date. Brush out your curls after styling to get a softer look.

### LUNCH DATE

#### MAKE-UP

Experiment with funky and trendy colours. Orange lips are perfect for a day occasion. Just remember to choose the right shade for your skin tone.

#### HAIR

Play with your natural texture. Use styling gel to create a faux cut by pushing the hair on the sides to the back. If your hair is longer, then rather plait it.
