## ▲ WEAR SHEARLING

A fur- or shearling-lined collar is the new frontier for denim or leather jackets this season, and it's a nod to the '70s. Wear over anything from Henley T-shirts to a thin turtleneck. Remember your earthy tones – brown is a fail-proof option, and looks rich against shearling. That applies to layering pieces, pants, and even shoes.

## MIDNIGHT IN PARIS

In the glare of  
headlights, amid  
the pounding  
beats of a club...  
there's something  
undeniably  
electrifying the  
moment night  
truly begins.
