STYLE

Pay more attention to texture.

Try pairing industrial washes and slightly rougher denims with tweeds and other coarse textiles to make the whole look feel a bit more advanced.

House of Monatic coat R2 500. Levi's denim shirt R799

STYLE

Moving into the warmer months,

the look is still snug, but with a lighter weight of denim and with far fewer layers. Go for a classic pairing of items, as these will help simplify your style.
