RABANNE MILLION GOLD INTENSE

It all started in 2006 with 1 MILLION GOLD. The fragrance became the most successful fragrance in the world. The success of the fragrance was not only due to the quality of the fragrance, but also to the quality of the advertising. The advertising was not only creative, but also effective. The advertising was not only creative, but also effective. The advertising was not only creative, but also effective.

After 2013, 1 MILLION GOLD was replaced by 1 MILLION GOLD INTENSE. The fragrance was not only creative, but also effective. The advertising was not only creative, but also effective. The advertising was not only creative, but also effective.

1 MILLION GOLD INTENSE is a fragrance for men who are confident and assertive. It is a fragrance for men who are confident and assertive. It is a fragrance for men who are confident and assertive.

OBVIOUS UN PIVOIRE

What is Obvious Un Pivoire? It is a fragrance for men who are confident and assertive. It is a fragrance for men who are confident and assertive. It is a fragrance for men who are confident and assertive.
