Give life to the classics
 Reinvent traditional prints by jazzing up your colour scheme and adding a hint of old world elegance to your style.

A
 While dots and pinstripes might mean serious business, combining them can transport your look into a playful space – and since they’re such ordinary patterns, they won’t go overboard. Feeling brave? Go for an adventurous deco-inspired geometric. Contrast two prints, max, and pair with a solid colour.

B
 Stick to a simple colour palette of red, burgundy, blue and navy. They offer an easy transition from a work to after work (by swapping one of the cooler shades for a red or burgundy).

C
 Don’t be too basic. You want to give life to your outfit by bringing in an element of old world elegance. Pair older, more elegant silhouettes, like a trench, with your look, or add an element of sheen in the form of a jacket.

An outrage of colour

When opportunity calls for something a little more outrageous, your best friends are colour and print.

A

The first rule of outrage is this: if you're working in a mad colour, make your base print a classic one, like a window pane check. If you're working in a serious colour, then you have free range to go wild on the print. It's all about striking a balance.

B

A fun way to inject some more drama is by clashing prints. You could go full foot with a printed overcoat, but a more subtle way is to opt for a print detail, like a panel or accent on your suit, or even a pop in the form of a pocket square. Remember, if your base colour is mad, go for a traditional print, like paisley.

C

Don't be so plain. Hybridity is a huge theme in fashion at the moment. If you really want to call attention to your look, find a piece that features some kind of crossover design, like a pleated suit front inspired by the Scottish kilt.
