MODA

LOST IN

Envueltos en una atmósfera de sofisticación, somos testigos de un sublime encuentro entre la máxima expresión del arte junto a la moda. El caer del agua de las fuentes sirve como banda sonora, ante la fusión entre la delicadeza de esculturas antiguas con la belleza de piezas excepcionales de esta temporada. Una colisión de drapeados, colores y siluetas, que generan un contraste majestuoso como muestra de que lo moderno siempre será un derivado de lo clásico.
