«Para un look divertido como este, apuesta por lo natural, que la piel tenga una apariencia reluciente y fresca y que los labios sólo lleven un toque *nude*. Es la composición perfecta si quieres subrayar la mirada con una pincelada de color», afirma la make-up artist.

The cover of the magazine features a full-page photograph of Ines Garcia. She is standing on a Parisian street, wearing a long, flowing dress with a blue and black geometric pattern. She is holding two shopping bags, one white and one brown, and looking back over her shoulder at the camera. The background shows classic Parisian architecture and a street scene.
