

AMY SCHEEPERS

Bio

Jewellery Designer | Visual Creator

Amy Scheepers began her career as a professional photographer and now runs and designs her own jewellery label, "Coast". A brand made for confident women, who are creators of their own journey.

Amy's minimalist style and natural aesthetic make her online platforms the perfect destination for fashion and lifestyle inspiration, beautiful imagery and a sense of escapism. She has a love for interiors, the beach, astrology, photography, and sustainable fashion.

Amy has worked with a wide range of brands and has had the opportunity to have her photographic work exhibited twice. She has been featured in various magazines and online platforms. Amy loves collaborating with like-minded brands to create beautiful stories together.

With a talent for photography and an eye for dreamy visuals, Amy's work will have you dreaming of Summer.
