

## RENEE DE WIT

### Bio

Makeup- Artist | Beauty Content Creator

With more than 20 years experience working as a hair and makeup artist in the fashion and beauty industry, Renee has more than 30 international and local magazine covers under her belt. After 8 years based in London, she decided to base herself in her home town, Cape Town and share her wealth of knowledge with her magazine, advertising and private clients alike. Apart from her work on numerous beauty and skincare campaigns, international bookings have seen her traveling to Spain, Portugal, New York, Canada, Malaysia, Bali, Thailand, Seychelles, Kenya, Tanzania, Greece, Italy, Mauritius, Mozambique and Ghana. Renee's work appears regularly in magazines such as Elle, Marie Claire, Cosmopolitan and Glamour.

She has also worked on various foreign publications including Vanity Fair USA with photographers Mark Selliger and Marco Grob, as well as Vogue UK and Russia.

Her advertising clients include Edgars, Woolworths, Truworths, Spitz, Kurt Geiger, Adidas, Nike, Nivea, Dove, Elizabeth Arden, Revlon, Yardley and Sorbet.

Renee was commissioned to create online makeup video tutorials and has been keynote speaker and MC at various launches and events including Woolworths, Bobbi Brown, La Mer, Sensai, Mercedes Benz South Africa, Empower Me, St Cyprian's Womens Day and Balmain Hair Couture.

Rene recently launched her own Youtube channel and content production company. She has been invited by various charitable organisations to be a keynote speaker.

She is passionate about supporting various charity organisations including Reach for a Dream, CANSA, Dress for Success, The Princess Project and The Sunflower Fund.
