

TYLA

Bio

Artist | DJ | Model | Actor

The bubbly 18 year old was born and raised in Johannesburg, South Africa to a family of Mauritian and Indian descent. Tyla is a truly multi -faceted artist who sings, writes, paints, acts and dances in addition to a multitude of other creative talents. Tyla stands for African youth culture and diversity. She is energetic and connected to the global youth map.

With one single already doing the rounds, Tyla is currently working on her debut project, a combination of R&B, House, Afrobeats and Global Pop.

She dreams of travelling the world, playing stadium shows and growing a platform that enables her to give back to communities in need.
