LENGTH

Hair grows, on average, 3cm a month and breakage occurs due to dehydration, heat and harsh weather. Trim your ends regularly to promote growth (this tricks the hair into growing a little faster.)

The cover of Nubian Bride magazine features a bride with dark hair styled in an updo, wearing a white strapless gown with a full skirt, a pearl necklace, a wide pearl bracelet, and a white birdcage veil. She is sitting in the back of a vintage car with maroon leather upholstery, looking out the window. The background is a blurred green landscape.
