Celebrity HAIR GOALS

Whether you're starting a new job or looking to switch things up, get your next hairstyle idea from your favourite celebrities' signature looks.

Powerful Pony

Only a few celebs have the influence of making everyone flock into a salon to get the same hairstyle. Here are a few signature styles from our favourite hair icons.

Beyoncé loves the ponytail hairdo, and she knows exactly how to add drama to it. Say goodbye to the straight ponytail and hello to curls. They add volume, giving your hairstyle an elegant yet funky feel.

Chic Bob

When you think of a bob hairdo, the name Taraji P. Henson pops up, right? This look was made even more famous by her, and the colour is perfect if you are not brave enough for a platinum blonde look.

Blonde bob wig, price on request, Lucy's Beauty Salon
