Keep It Light

Don't feel restricted to dark shades if you're attending an outdoor wedding. Lighter colours are a great choice for ceremonies in the warmer months. This beige suit creates a light, airy look that goes with pastel colours, bridesmaid dresses and even the wedding décor.

Mix and Match

Summer weddings call for light and airy décor, so make sure your attire matches. Mix in pastel shades under light unconstructed suits or blazers (suspender from cotton or linen blends) for breathability and bounce to the look.
