Wedding Special

Crack Any Wedding Dress Code

Regardless of whether you're the groom or a guest, here's our guide to making sure you make a big impression on the big day.

BY AZEEZ JACOBS

Got a wedding date? If you're the groom, you need to keep your look timeless; but when you're a guest, your focus is on standing out (for good reason), and celebrating like a professional. While the promise of an open bar and a merry band of single bridesmaids is enough to whet your appetite, don't neglect your outfit plans: skip the ill-fitting polyester suits, and use our next eight pages for inspiration. "Best Dressed Guest" is the title you deserve to win.
