NEGATIVE SHADOW

Welcome to the new frontier of eyeshadow. "Prep your lids with an oil-free shadow base," says celeb makeup pro Patrick Ta. Fill your inner and outer corners all the way up to your brow and around your lower lash line. Leave a gap at the centre. **We like** [4] *LCN Long Wear Eyeshadow* in Natural (R600.22).

BUTTERFLY BRIGHTS

Insta-worthy drama is your aim. Frame and wing your eyes using a dark shade. Then blend a lighter hue from the centre to the inner corners. **TRY** [8] *Elizabeth Arden Eyeshadow Trio* in Touch of Lavender (R390). Add a clear gloss, like [10] *NYX Professional Makeup Mega Shine Lipgloss* in Clear (R120), to finish. ♦♦
